LIGHTHOUSE WITH HEALTHCARE SOLUTIONS' featured resource is Christian Recovery Solutions of South Florida. Christian Recovery Solutions is an all-Christian, 30-bed, dual diagnosis, extended care drug and alcohol treatment program. **CHRISTIAN RECOVERY SOLUTIONS** is not a "Christian track" hidden within a secular program. It is a separate, free-standing, Christ-centered program. This program provides 24 hour a day supervision in a Christian environment and is specifically designed to maximize the use of private health insurance dollars to provide stays of 30 to 90 days.
