| | \$37,242,375 |

The federal-level figures on this page are based on contributions of more than \$200 from PACs and individuals to federal candidates, leadership PACs, and political parties as reported to the Federal Election Commission in the 2008 election cycle. The state-level figures on this page are based on contributions to state candidates, parties and ballot measures during the same period, 2007-2008.

Federal figures are based on data released electronically by the Federal Election Commission and processed, standardized and analyzed by the Center for Responsive Politics. State data was provided by the [National Institute on Money in State Politics](#) based on data reported to state disclosure agencies.
