

Are you a CEAI member
facing job related issues and
don't know where to go for advice?

We're Here to Help!

If you are threatened with job action by your district or a lawsuit by a student or parent...

Do not take any action or submit a resignation!

Contact the Membership Service Center to discuss your situation with a consultant.

Assistance Protocol

- The Service Center staff will help you formulate an appropriate response.
- If the plan goes beyond advisory status, CEAI will initiate a tracking form and establish an action file.
- We may ask you to fill out and send us an incident report form.
(Available on line at www.ceai.org under "Resources")
- We will send a copy of the incident report to the insurance representative.
- Legal support is funded through an insurance policy.
The Service Center staff will engage the insurance company and file for appropriate action on your behalf.
- When appropriate, the consultant will give you a list of qualified attorneys in your community. You hire the attorney of your choice. You may choose from the list provided or use an attorney you already have a relationship with.
