navigating public education

grace
church

Are you a Christian public school educator?

- Connect with other educators who strive to live out their faith legally and authentically on their public school campuses.
- Be inspired by testimonies of educators who are making an impact for Christ at their schools.
- Better understand your religious liberties as Christians within your public school.
- Experience powerful worship and corporate prayer for our schools, students, and colleagues.
- You won't want to miss this! Bring your colleagues and friends.
- FREE EVENT!

Keynote Speaker:

Jessica Cabeen was the 2017 Minnesota Nationally Distinguished Principal of the Year. She has written four books and continues to lead and learn every day as the principal of Ellis Middle School in Austin, Minnesota. During her message, *Lead with Grace: Lived out in Faith*, Jessica will share practical ways to develop deeper relationships with those you serve at home and in school. Be prepared to leave refreshed, renewed, and equipped to live out your life with a deeper sense of purpose to your calling.
