2021-2022 - THE YEAR OF WISDOM

Unity Prayers for Public, Private and Home School Parents,
Students, Staff and Those Above Them in Authority

*Lord, you are wisdom and strength. Build Your schools
upon wisdom. In the secret place grant parents,
students, staff and those above them in authority great
wisdom that is pure, peace-loving, considerate,
submissive, full of mercy and good fruit, impartial and
sincere. May faithful instruction be upon all our tongues
at all times.*

Lord, in agreement and in Jesus' name, we ask:

- that students, parents, and staff will develop a personal love relationship with You and seek and follow You first in their lives,
- that students, parents, and staff will grow in unity and love with You, their families, one another, themselves and their enemies,
- for a growing and thriving student Christian club, staff L.I.F.T. group at each school and a neighborhood church that partners with each school in prayer and service,
- for excellence in character education, academics and extracurricular activities,
- for godly favor among all the parents, students and staff – that they will treat one another with forgiveness, unconditional love, great dignity, respect, kindness, and honor, and
- for spiritual, emotional, social and physical safety of all parents, students and staff.

Lord we ask you for the special needs of this school:
